

Money Saving **LAWN SPRINKLER** Water Conservation **UPGRADES!**

Robert Coleman,
Owner
Double Eagle Sprinkler

Rain Bird™ WR-2 Wireless Rain & Freeze Sensor

The WR-2 updates weather data every 45 seconds and features a quick shut-off which suspends irrigation immediately during rain events without need for rainfall accumulation. Typically a rain & freeze sensor **pays for itself within 2 years or less**. The larger your lawn sprinkler system, the greater the dollar savings each year. The

WR2 meets all municipal code requirements.

\$200.00 installed. 1 year parts & labor warranty.

Price includes sales

Rain Bird™ U-Series Nozzle & Filter

Water flowing from dual openings provides even coverage and is more efficient, **reducing the watering time by 30%**. U-Series nozzles deliver a second stream of water close-

in around the sprinkler head **significantly reducing brown spots** close to the spray head. Rain Bird™ U-Series nozzles & filters come with a full 1 year parts and labor warranty. Ask for a free estimate to change out your nozzles to U-Series!

Hunter™ MP-Rotator

Install Hunter MP-Rotators and use up to 30% less water! The MP-Rotator delivers water at a much lower rate, matching most soil absorption rates. Runoff is virtually eliminated! **Perfect for our clay soils**. Also reduces misting due to larger water droplets. Seeing is believing—ask for a free estimate to replace your existing heads with Hunter MP-Rotators!

Rain Bird Drip Line

Completely eliminate evaporation loss by installing Rain Bird Drip Line in your beds and turf areas. Copper tipped emitters stop root growth into the tubes. Call for a free estimate to replace your outdated above ground system.

The ultimate “Smart” controller

This controller automatically “sets itself” based on weather conditions at your home office. System includes a “tipping” rain & freeze sensor. You’ll **save 25-50% of your watering cost each year**. Price includes installation. Comes with a 1 year parts & labor warranty.

\$550.00 1-4 zones

\$600.00 5-7 zones

\$650.00 8-10 zones

\$700.00 11-13 zones

Prices include sales tax.

Rain Bird PRS (Pressure Regulating Stem) Spray Heads

Great money saver for high water pressure systems with “misting or fogging” problems—water under high pressure that just evaporates or floats off. Save up to 35% of your water cost by replacing your existing spray heads with the PRS system! Call for a free estimate today.
